

Come and stay in our caravan at a special rate for unpaid carers

One of our caravans is situated just outside Pwllheli and has stunning views of Snowdonia as its backdrop. It is in a quiet cul-de-sac on the park, suitable for all ages. Rain or shine there's so much to keep you entertained during your stay.

Enjoy the daytime activities, evening entertainment or go for a quiet drink in the owners bar. Take a relaxing trip on the boating lake, enjoy walks inland on this vast park or along the coast by the beach.

Enjoy the flumes in the refurbished swimming pool. Spend your time on the decking of the caravan as the sun comes up or goes down. These are just a few ideas for an amazing break away.

There is free wi-fi in the caravan and in different venues on the site.

The site is suitable for all ages including families with children.

Carers can stay with their dependants, family or friends.

The caravan holds up to 6 people based on a double and 2 sets of 2 single beds.

Bookings for 1 March through to 31 October 2020 will be taken from January 2020. Email caravan@carersoutreach.org.uk or phone 01248 370797.
