Winter 2019

The winter wonderland issue

Missing your copy of The Carer?

In the last bulletin we asked you to let us know if you wished to receive a copy of The Carer. Going forward, in order to minimise wastage, we are not ordering any spare copies. Please let Julie know if you want to order your copy of The Carer. Remember you can also view The Carer online at www.carersoutreach.org.uk.

Groups in 2020

We are hoping to arrange an exhibition featuring photographs or portraits of carers during Carers Week 2020.

If you would be interested in doing this as a group activity please contact our Chief Officer Llinos Roberts. She may be able to arrange for a photographer to visit your group and conduct a photo shoot. Or if you fancy the portrait option, let us know if we can help to facilitate that in any way.

See our newsletter and events online at www.carersoutreach.org.uk

Fundraising news

Please keep your fundraising ideas coming in.

Tina, and the fundraising team who run the stall at Ysbyty Gwynedd, have reported that the stall is going very well. So far this year it has raised over three hundred pounds!

A fundraising evening with the ladies of Bangor Soroptimists raised nearly three hundred pounds. Confidence in Colour expert Sonya Williams gave an informative and interesting talk about the different shades of colour and different body types.

Many thanks to Eirwen Jones of the Bangor Soroptimists for arranging this fundraiser in aid of Carers Outreach.

#Brightenupyourlife

What's new?

Volunteers in Gwynedd will be pleased to hear that our Outreach & Development Officer, Delyth Kerr's baby arrived safe and sound - a little boy called Aled. Delyth has arranged speakers for the groups during her maternity leave, so it is business as usual.

Laura married the lovely Michael in September. We wish them all the best for the future.

Ella has started work with us and is busy answering phones in the Bangor office, so if you phone in with your group details, you may get to speak to her.

Remember to

Please remember to send in your group attendees and your volunteer hours. You can either give them to your regular staff contact or to Julie in the Bangor office. Or you can request forms and freepost labels so you can post them to us.
